County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**STREET SWEEPING TRAFFIC REGULATIONS
EAST LOS ANGELES AREA
SUPERVISORIAL DISTRICT 1
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Rescind traffic regulation orders prohibiting parking during street sweeping, at the times and locations specified in the enclosed Attachment "A," in the East Los Angeles area.
2. Adopt traffic regulation orders prohibiting parking during street sweeping, at the times and locations specified in the enclosed Attachment "B," in the East Los Angeles area.
3. Instruct the Director of Public Works to post signs along the affected streets to apprise the public as to the nature and extent of the prohibitions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Public Works proposes to schedule street sweeping to occur the day following trash collection in the East Los Angeles area generally bounded by Third Street to the north, Union Pacific and Telegraph Road to the south, Simmons Avenue and Concourse Avenue to the east, and Indiana Street to the west. The modification of street sweeping traffic regulation orders is necessary prior to implementing the revised street sweeping schedule.

Implementation of Strategic Plan Goals

These recommendations are consistent with the County Strategic Plan Goals of Service Excellence and Organizational Effectiveness as implementation will accommodate the residents' requests and optimize the effectiveness of our street sweeping operations in conjunction with trash collection.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Public Works Road budget to cover the minor costs of removing and installing the necessary signs and markings. Financing is not required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The California Vehicle Code authorizes your Board to implement these traffic regulations, which are required prior to enforcement by the California Highway Patrol and Sheriff's Department.

ENVIRONMENTAL DOCUMENTATION

The establishment of these regulations, including the installation of related traffic control devices required to notify the motoring public, is categorically exempt under Class I-(X)7 of the Environmental Guidelines approved by your Board.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.
